Art does not reproduce what is visible, but makes visible what is often not.

NucleikArt is pleased to present:

“Call for Artists 6th EDITION”

Join the Nucleika Collective!

We are excited to launch a new **Call for Artists** to create a unique collective where creativity, talent, and originality come together. The goal is to select artists who, through their works, know how to surprise and stimulate visitors, making art an engaging and vibrant experience.

The exhibition opening, curated by our gallery, will transform the space into a stage dedicated to visual research and contemporary artistic expression.

Who is it for?

The Call is open to **all artists**, regardless of age or geographic location.

Whether you are a painter, photographer, illustrator, sculptor, designer, digital artist, or NFT creator, this is your chance! Works of **small or medium size** can be created using any technique, giving you complete freedom to express your creativity.

If selected, you will have the opportunity to showcase your works at our gallery and participate in the opening event—a moment of meeting and sharing between artists and the public.

How to participate?

1. Submit the registration form and images of your works by **March 20, 2025** to: nucleika@gmail.com
2. Each artist may submit **a maximum of two works**.
3. If selected, you must deliver the works **printed and ready for exhibition**.

Selection of works

The works will be evaluated and selected by the **Nucleika team**, with the final decision being final and non-appealable. Works that promote hate, discrimination, or violence in any form will not be accepted. Our gallery is a place of **freedom and inclusivity**, where creativity can express itself without boundaries.

Visibility and Promotion

All selected artists will have the opportunity to showcase their work to a wide audience. The collective exhibition will be held in **Catania** from **March 29 to April 14, 2025**, and will be promoted through our **social media** and **website**.

Each artist will have a dedicated **page** with a biography and description of the works on display. Additionally, all selected works will be included in a **digital catalog**, available for free download in PDF format and also available in hard copy upon request.

Participation Costs

Participation in the Call is **completely free**. Each artist may submit **one work** for selection. The **transportation and shipping costs** of the works are the responsibility of the artist, who will also need to handle packaging and return shipping, if necessary.

Delivery of works

Selected works must be **delivered or shipped** physically to:

Nucleika Art Gallery, via Umberto 145, 95129 Catania

no later than **March 25, 2025**.

The exhibition opening will take place on **March 29, 2025, at 7:00 PM**.

Please ensure that your works are **properly packaged** and that the packaging includes instructions for re-packaging. The organization will handle the re-packaging using the same materials provided.

Return of works

Unsold or unclaimed works can be picked up directly from the gallery or returned by courier, at the artist's expense, within **30 days** after the exhibition closes. The packaging must be **suited for return** and reusable.

Responsibility and Insurance

Despite Nucleika's commitment to ensuring the utmost security of the works, the gallery **declines all responsibility** for any damage, theft, or incidents that may occur during the exhibition. It is recommended that artists take out an **insurance policy** to protect their works during transport and display.

Acceptance of the Rules

By registering for the Call, the artist accepts the present regulations without reservation. Each artist is responsible for their own works, guaranteeing that they are the legitimate author and not infringing upon any intellectual property rights. Additionally, the artist authorizes Nucleika to process their personal data in compliance with the **Privacy Code** (Legislative Decree 196/2003).

Amendments to the Regulations

Nucleika reserves the right to make changes to these regulations, with prior notice to the participating artists.

Join us and make your art the protagonist of a unique experience!

Nucleika, January 16 2025
